

### More Online Survey data summer 2007

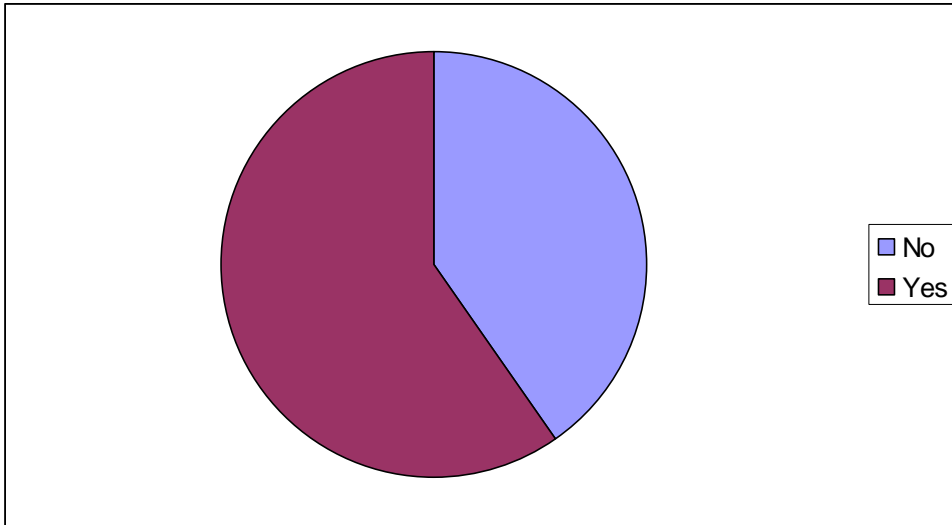

Ages of current apprenticeship students

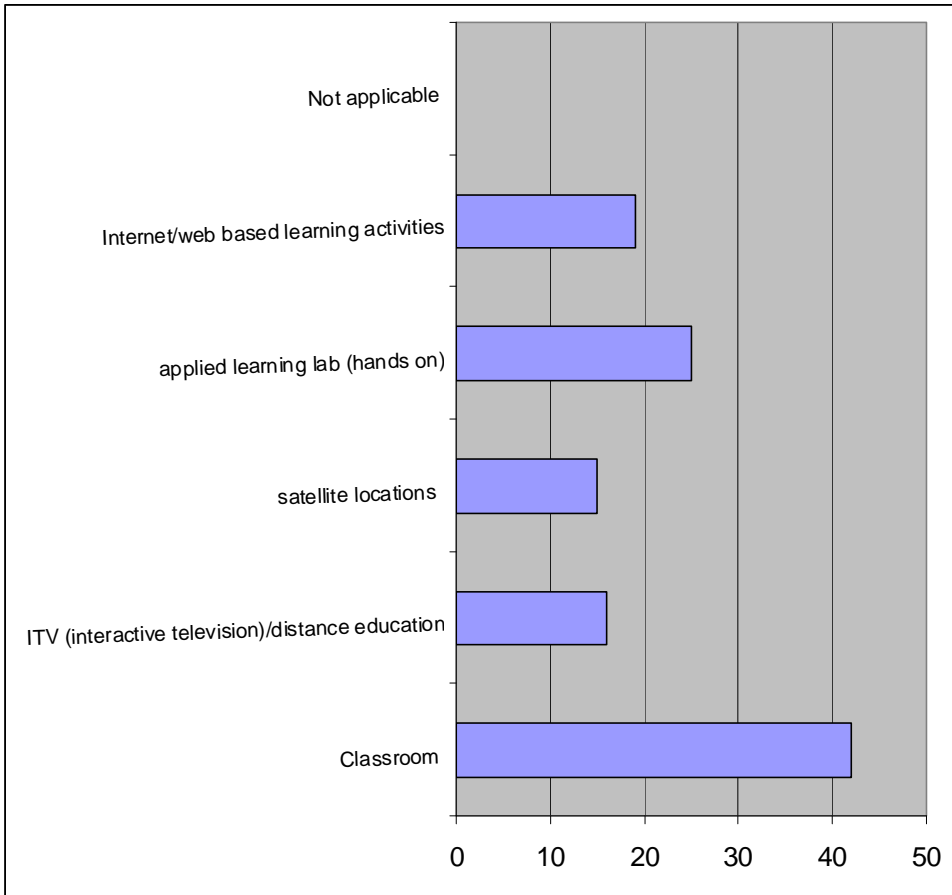

## Types of current apprenticeships

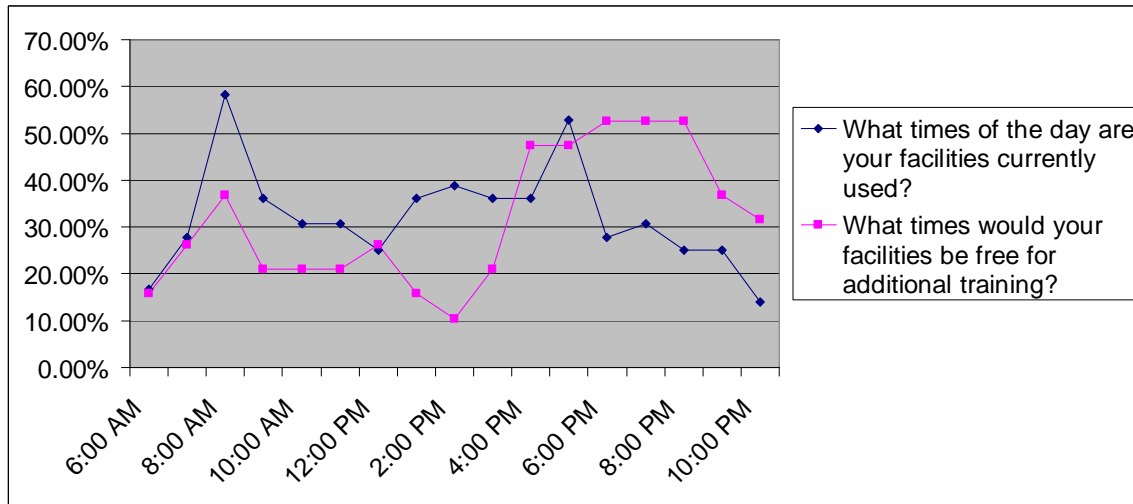

## Predicted shortage areas

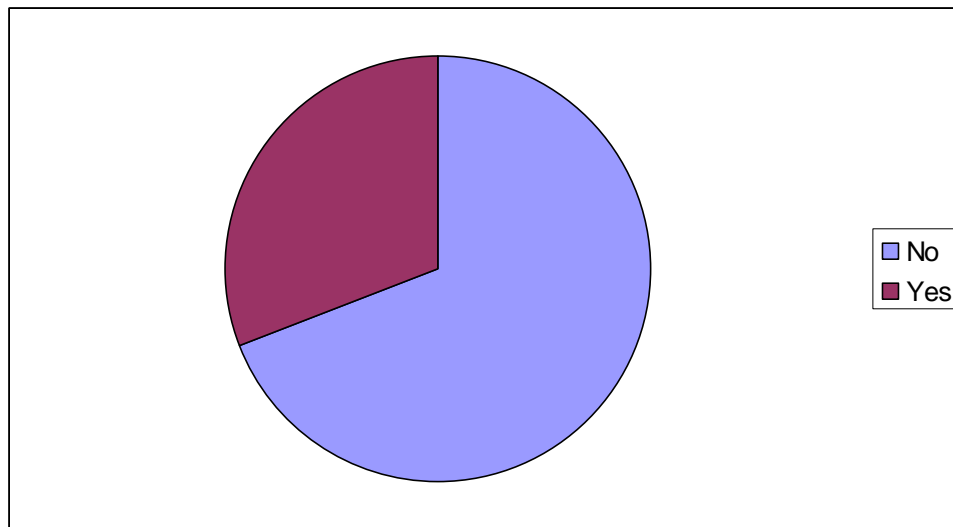

Willingness of industry to provide pre-apprenticeship education in partnership with PED and HED.

Type of industry training facilities available.

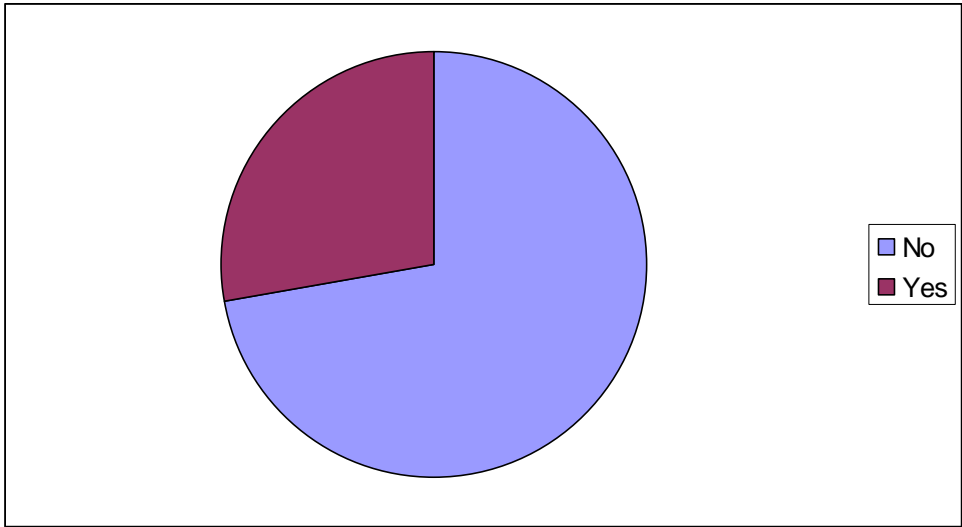

Availability of industry facilities for training

Current Secondary partnerships with apprenticeable trades

Trades identified:

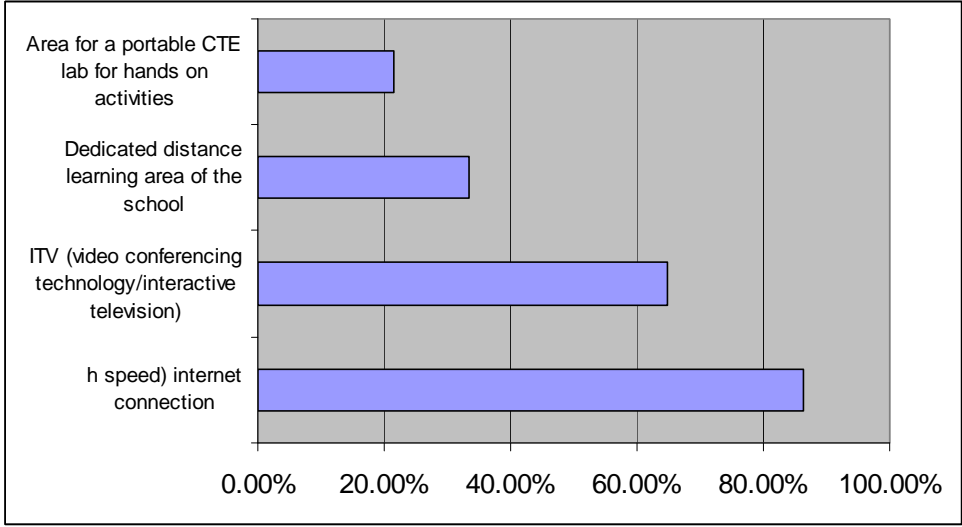

- Practical Nursing
- Health Sciences, Construction Industries, Auto Dealers
- Automotive
- ProStart Culinary Arts & Lodging Mgmt. with AHLA
- AYES Automotive Youth Education System
- Luna Community College
- Program of Study in Tax Accounting, Health Services,
- working on an agreement with CNM
- welding
- Construction Trades

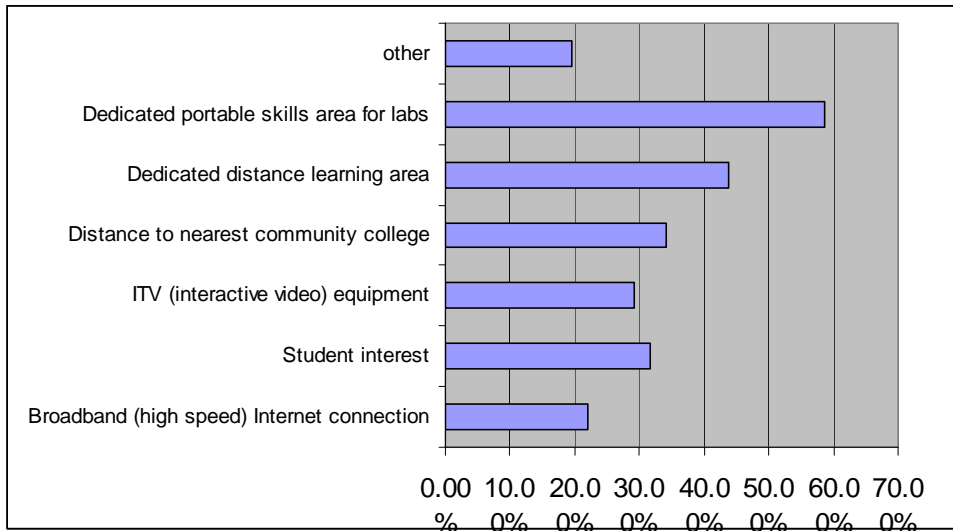

Current Secondary distance CTE courses

Identified courses:

- Nutrition
- DECA/BUSINESS/MARKETING, DESKTOP PUBLISHING
- Online courses - mostly for credit recovery
- Spanish I
- Tax Accounting Pathway - ENMU-R Medical Assistant/EMS - ENMU-R Diesel Mechanics - Mesaland College
- Diesel Mechanics
- Microsoft Patners in Learning Film Production
- Business, Architecture/Construction, Health Sciences, Agriculture Science, Science Technology, Mathematics and Engineering.
- Auto Tech with WNMU
- Principles of Multimedia: San Juan College Computer Graphics: San Juan College

Available distance learning equipment in Secondaries

### Hurdles for offering distance courses

#### Other stated hurdles:

Time coordination between various school schedules.

Automotive Technology has a high hands-on "part", not sure how this part would be accomplished.

Scheduling conflicts, staff for facilitation

Equipment costs

All above

Consistent support of post-secondary institutions in our region.

Community Buy In.

Partnerships with Post-Secondary and Industry and their ability to offer the courses/instructors.

### Programs at capacity

Practical nursing, cosmetology, EMT

automotive

Welding, Drafting

Automotive Technology I, II, III

Practical Nursing, EMT, Nursing Assistant

Computer Applications

Vocational Agriculture Programs including Welding

Culinary

PLTW

Welding and Culinary Arts

silk-screening
