Eastern New Mexico University, Performing Arts Center, Roswell
64 University Blvd
Roswell, NM 88203

Supporting New Mexico D, F, Focus, and Priority Schools: Fall Professional Development

Day One:

School Grading Community Workshops

8:30 – 11:00am

This interactive session will provide districts, schools, and community members an opportunity to learn about the New Mexico A-F School Grading System, the School Report Card, and how these drive school improvement to improve outcomes for children through engaging conversation with Dr. Peter Goldschmidt, Director Assessment and Accountability, NMPED.

Supporting Districts in Implementation: ESEA Waiver Requirements

1:00 – 3:30pm

Open to all New Mexico D, F, Priority, and Focus School LEA leaders. During this half day session an overview of the LEAs role in ensuring implementation of the ESEA Flexibility Waiver through the Web EPSS and their support to schools.

Day Two:

Leading Data Driven Schools

8:30 – 3:30pm

The morning session is designed to engage participants in discussion about leading conversations focused on data that result in changes in instructional practice, provide teams with models of data team organization and facilitation, the leadership teams recognizing the characteristics of a successful data team, and an opportunity to examine how leaders can strategically build teams to create and maintain data systems.

The afternoon session is designed to provide participants an opportunity to analyze what went wrong when a school tried to launch data-driven instruction, explain how it should be done, and to role play facilitating a data conversation with your peers.

Tentative Agenda

Day One

School Grading Community Workshops

8:30 – 11:00am

This interactive session will provide districts, schools, and community members an opportunity to learn about the New Mexico A-F School Grading System, the School Report Card, and how these drive school improvement to improve outcomes for children through engaging conversation with Dr. Peter Goldschmidt, Director Assessment and Accountability, NMPED.

Supporting Districts in Implementation: ESEA Waiver Requirements

1:00 – 3:30pm

Open to all New Mexico D, F, Priority, and Focus School LEA leaders. During this half day session an overview of the LEAs role in ensuring implementation of the ESEA Flexibility Waiver through the Web EPSS and their support to schools.

Day Two

Open to all New Mexico D, F, Priority, and Focus School teams of five to include: LEA support, principal, coaches, and teacher leaders. This one day opportunity will provide teams with tools and strategies to support school reform.

Leading Data Driven Schools

8:30 – 11:30am

The morning session is designed to engage participants in discussion about leading conversations focused on data that result in changes in instructional practice, how data teams are organized and facilitated, the characteristics of successful data teams, and provide an opportunity to examine how a leader can strategically build teams to create and maintain data systems.

1:00 – 3:30pm

The afternoon session is designed to provide participants and opportunity analyze what went wrong when a school tried to launch data-driven instruction, and explain what they should do about it, and role play facilitating a data conversation with your peers.
